Mobile Marketing Strategy

Mobile is disrupting the way in which people interact with brands. A strategy is essential to ensure that your SMS campaigns get the best results. Whether you want to increase leads or engagement, send us an email and let us help you optimise your mobile marketing strategy today.

Airtime and Mobile Data Rewards

Rewarding airtime and data as part of ongoing USSD, short code campaigns or to boost sales is easier than ever. Airtime and data purchases are VAT inclusive and no setup fees apply unless you would like an airtime and mobile data interface, see cost below.

Interface Setup – R1750 (Once off)

SMS Campaign Management

For as little as 2c (ex VAT) extra per SMS we will assist you in formulating your content, cleaning up your mobile number database, manage SMS opt out requests and provide comprehensive reporting post to SMS submission. Contact us today!

* We reserve the right to adjust the holding deposit at our own discretion.
